To Whom It May Concern,

We have been working with Kylie Greer at Artists for Kids Culture for many years now and specifically in the space of taking the AKC annual fundraisers online and to television. The artbus segment of these evenings is always a crowd favourite and the work they do to engage, encourage and enable children to access the arts and participate in arts activities where they may otherwise be unable to is a fabulous initiative and important work. Further to this, we think that artbusTV would make for excellent television content.

We wish Kylie and the entire Artists for Kids Culture team every success.
